Pool Schedule for Non-Summer Operations

Most pools will close for 3 ½ months during the year

San Diego – Effective September 25, 2006, 9 of the 13 city pools will close for 3 ½ months during non-summer months of September 2006 through May 2007.

The closure schedule is listed below and applies to the current fiscal year only. While pools will be closed throughout the non-summer months on a rotational basis, Park and Recreation Department staff is committed to keeping most pools open during the most active times of the year to ensure that the public have access to aquatic facilities when they need them the most. In addition, four pools will continue to operate year-round: Clairemont, Ned Baumer Miramar College, Memorial, and Vista Terrace Pool. All pools are subject to closures for necessary maintenance at any time during the year.
